### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 2, line 3 replace "is" with --are--.

2. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest a movable contact unit with operating projections including a plurality of domed movable contacts; a base film holding the movable contacts in place at a bottom surface thereof; and a plurality of projecting members fixed to a top surface of the base film by an adhesive to correspond to the respective movable contacts; wherein the amount of adhesive fixing a specified projecting member of the plurality of projecting members to the base film differs from the amount of adhesive fixing another projecting member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
